

MAKE THE RICH PAY FOR THEIR CRISIS

There is NO economic need for cuts. Full stop. The cuts are a political attack by the Tories and Bosses on the gains fought for by working people over the last 150 years. Britain remains a very wealthy nation, but a tiny minority hold most of the wealth. The Banks, Bosses and Politicians caused the current crisis - make them pay for it.

**COME ON BRISTOL
IT'S TIME TO MOVE!**

EVERYONE TO THE STREETS!

**Resist all cuts - Solidarity / Strike / Act
Occupy / Blockade / Organise / Create
Protest everywhere everyday**

Direct Action gets results

**Never trust any politician, nor the cops
Social Change Not Regime Change**
